

# EPILEPSY 1909–2009

## FACES OF ILAE

Since 1935, there have been 17 Presidents of the ILAE and in the period 1909–1914, although the title president was not used, at least 4 persons who will have acted in a presidential capacity. In addition, there have been distinguished Editors, Treasurers, and Secretary Generals and other figures of importance in the ILAE. The faces of 34 such persons are shown here – these are the faces of epileptology 1909–2009, a foil to the faces of epilepsy in 1909 with which this exhibit was opened
